

List of Mobius Institute Board of Certification Approved Training Course Providers for ARP Certification

Introduction

The following list of training course providers has been approved by the MIBoC Asset Reliability Practitioner Technical Committee as having met the pre-requisite training requirements for eligibility of ARP certification at the specified Category.

For any queries, please contact the MIBoC Certification Manager at certification.manager@mobiuscertification.org

Category ARP-A (Asset Reliability Advocate):

Training Organization	Course Description	Duration
Mobius Institute	Asset Reliability Practitioner CAT I: Manager/Engineer See: https://www.mobiusinstitute.com/site2/detail.asp?LinkID=70	2 days
	Asset Reliability Practitioner CAT I: Plant Wide Awareness See: https://www.mobiusinstitute.com/site2/detail.asp?LinkID=70	2 days
Life Cycle Engineering	Reliability Engineering Excellence Fundamentals See: https://www.lce.com/Reliability-Excellence-Fundamentals-406.html	3 days
ReliabilityWeb	Certified Reliability Leader (CRL) Workshop See: https://www.maintenance.org/pages/crl	4 days
University of Tennessee (USA)	Implementing an ISO 55001 Compliant Asset Management System See: https://www.assetivity.com.au/training/implementing-an-iso-55000-compliant-asset-management-system.html	1-2 years
The Aladon Network	RCM2 Introductory Course See: https://www.thealadonnetwork.com/training-services/training/rcm2-basics/	3 days

Category ARP-E (Asset Reliability Engineer):

Training Organization	Course Description	Course Duration
Mobius Institute	Asset Reliability Practitioner CAT II: Reliability Engineer See: https://www.mobiusinstitute.com/site2/detail.asp?LinkID=72	5 days
Reliability Engineering Academy	Reliability Green Belt See: https://accendoreliability.com/5-day-reliability-green-belt-course/	10 days
Federation University (AUS)	Master of Maintenance and Reliability Engineering – MREGC See: http://programfinder.federation.edu.au/ProgramFinder/fees/listCourses.jsp	1-2 years
Central Queensland University (AUS)	MASTER OF ASSET AND MAINTENANCE MANAGEMENT - CC18 (Formerly Master of Maintenance Management CU91)	1-2 years

	See: https://handbook.cqu.edu.au/he/courses/view/CC18	
University of Tennessee (USA)	Masters in Reliability & Maintainability Engineering See: https://tickle.utk.edu/rme/masters/	1-2 years
Life Cycle Engineering	Reliability Engineering Certification Program and Work Project See: https://www.lce.com/Reliability-Engineering-Certification-1721.html	12 days plus work project

Category ARP-L(Asset Reliability Leader):

Training Organization	Course Description	Course Duration
Mobius Institute (Global)	Asset Reliability Practitioner CAT III: Reliability Engineer See: https://www.mobiusinstitute.com/site2/detail.asp?LinkID=74	5 days
Assetivity	Asset Management Master Class See: https://www.assetivity.com.au/training/am-master-class.html	5 days
Federation University (AUS)	Master of Maintenance and Reliability Engineering – MREGC See: http://programfinder.federation.edu.au/ProgramFinder/fees/listCourses.jsp	1-2 years
Central Queensland University (AUS)	MASTER OF ASSET AND MAINTENANCE MANAGEMENT - CC18 (Formerly Master of Maintenance Management CU91) See: https://handbook.cqu.edu.au/he/courses/view/CC18	1-2 years
University of Tennessee (USA)	Masters in Reliability & Maintainability Engineering See: https://tickle.utk.edu/rme/masters/	1-2 years
Life Cycle Engineering	Reliability Excellence for Managers See: https://www.lce.com/Reliability-Excellence-for-Managers-85.html	9 days
